1. GENERAL INFORMATION

The CNKS token will not be legally considered a security because it does not give the right to a dividend, interest, profit sharing or any other remuneration. Also, CNKS tokens will not be considered as shares because they do not give access to ordinary or extraordinary general meetings of CONEKKS

The sale of CNKS tokens is final and non-refundable. They cannot be used outside the platform developed by CONEKKS. The buyer of CNKS tokens understands and is aware that the CNKS tokens issued by CONEKKS operate in an unregulated decentralized market. The information provided by CONEKKS relates to crowdsale and CNKS tokens, and the buyer of said tokens understands that no specific European regulatory framework governs this activity. Therefore, the buyer is aware that the purchase of CNKS tokens is undertaken without the benefit of legal and/or regulatory protection. Anyone purchasing CNKS Tokens understands, agrees and acknowledges that they have read this white paper carefully and fully understand the risks, costs and benefits associated with the purchase of CNKS Tokens and the services offered by CONEKKS.

2. RISK

2.1 General information on the risks associated with crypto-assets

2.1.1 Risks associated with trading or holding crypto-assets

Buyer acknowledges and understands that crypto-asset markets are unregulated decentralized markets. The CNKS Tokens issued and the services offered by CONEKKS therefore relate to unregulated markets which are not governed by any specific European framework. In other words, and unlike "traditional" financial assets, the Central Bank cannot take corrective measures to protect the value of cryptoassets in the event of a crisis, nor issue more assets in the markets.
